

On-Hand Adhesives, Inc. invites you to participate in our "hands-on"

ITW Solutions Day

**being held at our facility in Lake Zurich, IL
Thursday May 6th. From 8:30a.m to 4:30p.m**

ITW DYNATEC

Carton Closing

Bring in your hot melt substrates and let us show you how we can:

- Automate Your Process
 - Increase Speed
 - Improve Productivity and Accuracy
 - Save You Money

ITW GALEWRAP

Pallet Wrapping

Bring us a roll of your shrinkwrap and we will wrap a pallet and show you the difference and

give you a
ROLL OF
GALEWRAP
FREE!

ITW FOXJET

Carton Labeling

Bring us your box coding and/or product labeling along with some blank samples and let us show you right now how we can:

- Increase Up-Time
- Decrease Maintenance
- Lower Energy Costs
- Eliminate Headaches

We will provide free breakfast and lunch to everyone that is in attendance. You can come whenever is convenient for you throughout the day, as this day is for you to bring us your problems and let us help you with the solution.

Please RSVP by April 27th.
