

"Elastic" Adhesive and Sealant Products

Truck and Trailer Applications

1 Windscreen Adhesive

• **ISR 70-08** (SMP)

- High green (decking) strength
- Fast drive-away time
- Primerless (glass and body)

2 Glass Adhesive

Luggage Door Adhesive

• **ISR 70-05** (SMP)

- High strength and modulus for elastic bonding
- Primerless (FRP/alum/metal)

3 Exterior Sealant

Window • Panel • Roof

• **1100 FS** (PU)

- Economical sealant
- Thin set, penetrating viscosity
- Good cure strength

• **2175 FS** (SPS)

- Non-yellowing, UV resistant sealant
- High rheology (vertical and overhead applications)

Dual SMP 400P Handgun Applicator

4 Firewall Sealant

(Engine Compartment)

• **LoVOC** (PU)

- Economical PU sealant
- Higher rheology than solvent-based sealants
- Non-shrinking
- VOC compliant

5 Panel Construction Adhesive

• **ISR 70-03** (SMP)

- General purpose, elastic construction adhesive
- Primerless on most substrates

• **1152 FS** (PU)

- Superior green strength
- Very high cured strength
- VOC compliant PU adhesive

Dual SMP Technology

- Two-component version of SMP
- Guaranteed to CURE! ...and FAST!
